Aspiring to join the Reserve Bank of India? Understanding the exam pattern for RBI Assistant exam is your first step towards achieving this goal. This blog provides a comprehensive overview of the exam pattern for RBI Assistant exam, breaking down both the Preliminary and Main examinations. We will delve into the types of questions, marking schemes, and time allotted for each section. We will equip you with the necessary knowledge to strategize your exam preparation effectively. Let's get started with this journey together.

Exam Pattern for RBI Assistant - Complete Overview

The process begins with the Preliminary exam, where you have 60 minutes to complete sections on English Language, Numerical Ability, and Reasoning Ability, totaling 100 marks. Once you pass this stage, you'll move on to the Mains, which includes assessments in English Language, Numerical Ability, General Awareness, Reasoning, and Computer Knowledge, all to be completed in 135 minutes for 200 marks. The final step is the Language Proficiency Test, which evaluates your understanding of the official or local language of the respective state.

RBI Assistant EXAM PATTERN 2024

Prelims	Subjects	Maximum Marks	Time Duration
① Objective Test	Reasoning Ability + Numerical Ability + English Language	35+35+30 = 100	60 minutes
② Mains Objective Test	Reasoning + Computer Knowledge General Awareness + Numerical Ability English Language	40 + 40 + 40 + 40 + 40 = 200	135 minutes

With a solid grasp of each phase, you're set to begin your preparation and excel in the RBI Assistant Exam 2024.

Exam Pattern for RBI Assistant - Preliminary Examination

The RBI Assistant Prelims Exam is a Computer-Based Test consisting of 100 objective questions spread across three sections: English Language, Numerical Ability, and Reasoning Ability. You will have 60 minutes in total to complete the exam, with 20 minutes assigned to each section. The English Language section is conducted in English only, while the other sections are available in both English and Hindi. Keep in mind the marking scheme—there's a penalty of one-fourth mark for every incorrect answer, but no deduction for unanswered questions.

RBI Assistant 2024

PRELIMS EXAM PATTERN 2024

Prelims	Subjects	Maximum Marks	Time Duration
Objective Test	Reasoning Ability + Numerical Ability + English Language	35+35+30 = 100	60 minutes

[Source: Gargi AI]

- Total Questions: 100
- Sections: 3 (English Language, Numerical Ability, Reasoning Ability)
- Duration: 60 minutes
- Time per Section: 20 minutes

Important Notes:

- Question Type: All questions are multiple-choice.
- Language Options:
    ◦ English Language section: English only
    ◦ Numerical Ability and Reasoning Ability sections: Available in both English and Hindi
